

AAA School Safety Patrol

ADVISOR OF THE YEAR

Deadline for Nominations: Friday, April 28, 2023

A proud tradition for over 100 years, the AAA School Safety Patrol program now includes more than 679,000 Patrollers in 35,000 U.S. schools! Students who give their time and energy to make the AAA School Safety Patrol a success are encouraged and supported by school officials, parent-teacher groups, law enforcement and AAA Clubs.

This partnership of concerned adults and children has brought about significant improvements in the incidence of traffic deaths and injuries among child pedestrians. The presence of Patrollers has had a significant impact on the safety of child pedestrians who travel to and from school.

In addition, Patrollers serve as student leaders by demonstrating safe pedestrian habits while helping others understand traffic safety concepts.

The AAA School Safety Patrol Charles M. Hayes Advancement Fund, administered by the AAA Foundation for Traffic Safety, recognizes a National Patrol Advisor of the Year for his or her contributions to Patrollers' safety and education. The National Patrol Advisor of the Year is selected from the field of Patrol Advisors nationwide. Nominees must submit an essay detailing how they educate and motivate Patrollers through the AAA School Safety Patrol program.

Please read the following information before preparing the Patrol Advisor of the Year nomination package. Contact your local AAA club with any questions.

Eligibility Criteria

Principals, members of law enforcement, local AAA clubs and Advisors themselves may nominate an Advisor, who must:

- Be the school's current AAA School Safety Patrol Advisor
- Demonstrate leadership qualities, safety skills, dedication, morale-building and a desire to advance the educational and safety benefits of Patrollers
- Perform duties in compliance with AAA's Patrol policies and standards

Nomination Materials

The nomination package contains:

1. Basic nomination information
2. Examples of nominee qualifications based on eligibility criteria
