SAFETY TIPS

SAFETY
ACTIVITY
SHEET

Soon*

1

Rainy weather can cause slippery crosswalks and road surfaces for both pedestrians and cars. Make sure you always look left, right, left before crossing.

2

Did you grow over the winter? Make sure your bicycle and helmet fit properly to ensure you are safe while riding.

3

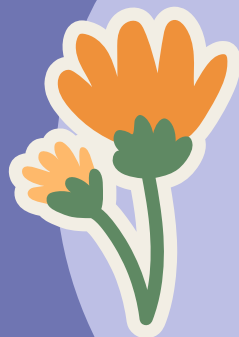

When heading to the playground, make sure the area has not sustained damage over the winter and is still safe to play on.

4

If you are outside and hear thunder roar, make sure you quickly head indoors.

5

Never play in or near flooded areas.
