Alaska Seek-A-Word

SNOWMOBILE - A vehicle to get around in the snow that instead of wheels - has ski runners in the front and tank tracks as rear tires to move in the snow.
 GRIZZLY BEAR - Live in Alaska and eat salmon, clams, grass, and berries and hibernate for 5 to 7 months a year.
 VOLCANO - Katmai National Park in Alaska is one of the world's most active volcanic areas.
 WHALE - Gray whales, orcas, and humpback whales migrate to Alaska in the Spring and Summer.
 NORTH POLE - The very tip of the earth. It is also a city in Alaska where it is always decorated for the holidays!
 GLACIERS - Huge, slow-moving masses of ice and rock; there are over 100,000 in Alaska.
 PUFFIN - These stocky short-tailed sea birds have bright bills and orange feet.
 MOUNTAINS - The tallest mountain peak in North America is in Denali National Park!
 CARIBOU - A type of reindeer, but taller with bigger hooves to make it easier to walk on snow.
 MOOSE - The Alaska moose is one of the largest types of moose!

ARCTIC CIRCLE - Part of Alaska is in the Arctic Circle. It is so far north that on the first day of Summer, the sun stays up for 24 hours, and on the first day of Winter, the sun doesn't rise!
