How to Tie a Camping Knot

When you go camping, it is helpful to know how to tie knots in ropes. This one is one of our favorites; it is called the **Two Half Hitches Knot**. Use the photo as a guide to tying this knot. Practice on the leg of a table or a small tree.

1. Wrap the rope around the object.
2. Pass the rope under then over putting the end through the hoop.
3. Then pass the rope under then over through the next hoop.
