## Yo ho, yo ho... a Pirate's life

The Bahamas was once the home for pirates. Pirates were bad guys who used to sail their ships up to merchant ships that were

> transporting food, spices, and silver and gold. The pirates would raise their

pirate flag - to warn the merchant ships to surrender - and would then steal the cargo. Also, if the merchant ship was better or faster than the pirate ship - they

would steal the ship too!

Argg! Shiver me timbers!
