

What is Costa Rica Known For?
 Costa Rica is known for its beautiful beaches, lush rainforests, friendly people, active volcanoes and tasty foods.

Where is Costa Rica?
 Costa Rica is a small country in Central America, located between Nicaragua and Panama. It has coastlines on both the Caribbean Sea and the Pacific Ocean. The capital city is San Jose, which is located in the central part of the country.

Get to know Costa Rica!

- Costa Rica has six active volcanoes!
- Costa Rica has the world's largest active geyser.
- Costa Rica is home to the world's smallest hummingbird!
