Fun Facts about Springtime

In Spring, baby birds learn how to sing!

The first day of Spring in the Northern Hemisphere (where North America is) is the first day of Fall in the Southern Hemisphere (where Australia and New Zealand are).

In China, the coming of Spring coincides with celebrations of the Chinese New Year.

In Japan, the blooming of Cherry Blossom flowers in March and April signals the start of Spring.

DAFFODILS

The first Spring flowers are typically lilacs, irises, lilies, tulips, daffodils, and dandelions.
