

See how many different kinds of seashells you can find. See who can find the most perfect shell.

Collect Seashells

Use sticks, pieces of seagrass, or just draw a tic-tac-toe board in the sand. Then draw X and O in the sand, or players can mark their Xs and Os with shells or stones.

Beach Tic-Tac-Toe

Bring a few small balls to the beach and create skeeball on the beach. Create a smooth area in the sand, build a sand ramp at the end with a few holes and see who can roll the ball to jump the ramp and make it into the holes.

Beach Skeeball

The sand allows you to easily make as many hopscotch squares as you want. Make a hopscotch course as elaborate as you wish.

More Ideas!

Sand Putt-Putt- Golf

Buy a set of kid-sized putting clubs and golf balls and use the sand to create a sand mini-golf course on the beach. Half the fun is building the course and fun playing it as well.

Sand Castle City

Build a sandcastle with a moat, bridges, and a canal to the water. Add seaweed and shell decorations.
