

Hiking
When taking hiking trips through a state park and local trails, Keekee loves to see how many different birds she can see and hear.

Swimming
Keekee loves swimming... anywhere! At the local pool, lake, or river.

Miniature Golf / Putt-Putt
Keekee loves to try her luck at mini-golf. Her favorite are courses that have moving obstacles - like a windmill.

Aquarium
Keekee loves to see different types of fish. So fun to see them from under the water.

Planetarium & Science Centers
Keekee loves to learn about dinosaurs at the natural history museum and especially about stars and planets at the planetarium.

Bike Riding
Keekee loves when the family takes their bikes to a local park or riding trail.

You don't have to get on a plane or go far away to have a mini family vacation. There are fun things to do close to home. Here are some of Keekee's favorite things to do!

Backyard Camping Trip

Have an adult help you set up a tent in your backyard and go camping at home! You get to go on a camping trip and have a home-cooked breakfast. (And you don't have to use an out-house when you have to go to the bathroom).
