# YOUR AAA MEMBERSHIP

It's important to have choices, so we created different levels of membership to fit your lifestyle. You can select the benefit level best suited to your personal needs.

## All Memberships

The number of Roadside Assistance Service Calls you are entitled to depends on the type of membership you have. The following are considered Service Calls: towing calls (whether a tow is needed or not); bicycle calls; battery service calls; vehicle lockout service; tire change, emergency gas delivery and extrication service. Auto Glass service is not considered a Service Call. NOTE: Service Calls may not be transferred, rolled over, or used by an Associate Member on the membership. Each Member's calls are allocated to that Member only.

**Membership Year:** Your AAA membership is an annual membership. Paying your annual renewal dues extends your membership for another year. Paying your renewal dues after your current membership expiration date does not change the month and day of your renewal expiration.

### **A seven (7) day Roadside Assistance waiting period applies to:**

- 1 Nonmembers who purchase a Plus, Plus RV, Premier or Premier RV membership (Classic membership Roadside Assistance benefits can be received during the seven (7) day waiting period),*
- 2 Existing Members who upgrade to Plus, Plus RV, Premier or Premier RV membership (Members receive the Roadside Assistance benefits associated with their membership level prior to upgrading during the seven (7) day waiting period),*
- 3 Associate Members added to an existing Plus, Plus RV, Premier or Premier RV membership (Associate Members can receive Classic membership Roadside Assistance benefits during the seven (7) day waiting period),*
- 4 Plus, Plus RV, Premier and Premier RV memberships reinstated more than 60 days past membership expiration. (Classic membership Roadside Assistance benefits can be received during the seven (7) day waiting period).*

## Classic Membership

Our Classic Membership provides the basic benefits that AAA Members have come to rely on. As both a driver and a passenger, you have 24/7 access to our renowned Roadside Assistance program: towing, lock-out service, out of fuel delivery, jump starts, and more.<sup>1</sup> And help for a breakdown isn't limited to the vehicle you are driving or riding in—AAA will provide Roadside Assistance for your bicycle, too. Each Member on the membership is entitled to four (4) Roadside Assistance calls per membership year. You also receive free identity theft monitoring when you enroll in ProtectMyID®. Take advantage of perks like digital AAA TripTiks® routes; United States, Canada, Mexico, and Caribbean maps, as well as online mapping at AAAMaps.com; digital AAA TourBooks®;

hotel and motel savings; and worldwide vacation planning and reservations.

## Classic Motorcycle Coverage

Extend AAA Classic Roadside Assistance coverage for motorcycles by purchasing the additional Motorcycle rider.<sup>2</sup>

## Plus Membership

In addition to all the benefits of Classic Membership, Plus Members get expanded towing coverage<sup>1</sup> up to 100 miles, free gas and delivery if you run out, and additional lockout service and extrication coverage. Each member on the membership is entitled to four (4) Roadside Assistance calls per membership year. You'll also enjoy greater reimbursements, like Trip Interruption Expense Reimbursement, and more, making AAA Plus coverage ideal for those who spend more time behind the wheel. A seven (7) day Roadside Assistance waiting period applies to ALL Plus Membership upgrades.

## Premier Membership

AAA Premier Membership offers a distinctively different membership experience, providing the most extensive coverage and personalized services available to AAA Members. You're afforded all of the benefits of Plus Membership and also receive exclusive roadside benefits: towing up to 200 miles and Home Lockout services. Each member on the membership is entitled to five (5) Roadside Assistance calls per membership year. Get exclusive free passport photos, 24-Hour Travel Assistance, Concierge Service, Travel Accident Insurance, Vehicle Return Coverage, and more.<sup>1</sup> A seven (7) day Roadside Assistance waiting period applies to ALL Premier Membership upgrades.

*1 Restrictions Apply. See "Learn More" section for details.*

### *2 Motorcycle & RV Coverage*

*AAA Plus RV and Premier RV Members in OK and SD with active status as of 9/16/17 have the RV coverage included at no extra charge for as long as they maintain their memberships. Additional RV coverage dues apply to OK and SD Members who join, rejoin, or upgrade to Plus RV or Premier RV membership after 9/16/17.*

*AAA Classic Members in OK and SD with active membership status as of 9/16/17 have motorcycle coverage included at no extra charge for as long as they maintain their memberships. Additional Motorcycle coverage dues apply for OK and SD Members who join or rejoin after 9/16/17.*

# YOUR AAA MEMBERSHIP

Your Premier Membership includes access to the best AAA has to offer—such as the convenience of a single toll-free number to call. Rather than dialing different numbers for different services, you only need to remember one to contact us: 888-222-9688. This special Premier Member Services toll-free number gives you single-point access to all AAA products and services, including Roadside Assistance, 24 hours a day, 7 days a week.

## RV Coverage

Plus and Premier Members can add RV coverage for an additional cost to provide Roadside Assistance for motor homes, campers, motorcycles, and boat trailers.

## Associate Membership

Make sure all drivers in your household—spouse, teen drivers, children away at college or in the military—carry the same AAA card that you do. Add them as Associate Members and gain peace of mind knowing they have AAA coverage, too. Associate Members are persons residing in the same household as the Primary Member and dependent children away at school shall be eligible to become Associate Members. Associate Members must be of legal driving age whether licensed or not. The Associate Membership is valid only so long as the person remains a resident of the household of the Primary Member. Associate Members shall be entitled to all membership services offered by the Club.

## AUTOMOTIVE

For over 100 years, we've been the name that millions of Members trust with the vehicles they rely on. Wherever you are on the road of life—nobody understands driving and drivers better than AAA.

## ROADSIDE ASSISTANCE

### YOUR AUTO CLUB MEMBERSHIP CARD IS YOUR KEY TO SERVICE

To receive Roadside Assistance, you must present your membership card to the service provider upon arrival. A driver's license or other form of matching photo identification also will be required.

Service is available only to the person named on the membership card, who is the driver of or a passenger in the vehicle at the time of the covered vehicle disablement.

Memberships are not transferable and membership service is not provided to nonmembers. Members cannot transfer or sell their membership or any service call to any other person. Other Members of your household who want Roadside Assistance must have their own membership cards, in their own names, to obtain service.

**Unless a valid membership card and photo identification are presented at the time of service, you will be expected to pay for the covered service provided at commercial rates.**

### Emergency Roadside Services

AAA membership is a motorist's trusted ally. It covers you whether you're the driver or passenger in a car. To get Roadside Assistance, you need to be with the vehicle at the time of disablement and service. When the AAA representative arrives you will need to show us your AAA membership card and your driver's license or government-approved ID. Your membership benefits, like Roadside Assistance, cannot be used by any other person.

AAA offers a comprehensive suite of emergency roadside benefits available 24 hours a day, 7 days a week, 365 days a year.<sup>1</sup> When you're on the go, we can help you with jump starts and battery service, tire changes, emergency gas delivery, lockout service, mechanical first aid, and towing. And in most cases, we'll get you back on the road.

### Towing

You never know when you'll need help—until you need it. Just give us a call or use the AAA Mobile® app and we'll be there. One of our professional, courteous drivers will come to your aid and tow you to the destination of your choice.<sup>1</sup>

### Mobile Battery Service

Whether you're on the road or you never got out of your driveway, AAA will come to you. We'll diagnose and attempt to jump-start your dead battery, or provide towing service to your destination of choice.

If we can't jump-start your battery, we can offer a replacement on the spot. Our expert technicians will perform a convenient, no-cost diagnostic test and evaluation of your battery at the scene, and install your new battery at your request.

High-quality batteries are available for purchase at exclusive Member-only prices and include a 3-year free limited<sup>1</sup> replacement nationwide warranty. No delivery or installation charges apply. Specialty batteries, such as AMG batteries, are not covered. Difficult battery installations may incur additional service charges.

**NOTICE REGARDING BATTERY CALLS:** Since battery testing and replacement is considered to be a service call, if you have exceeded the number of service calls allotted for your membership level, charges incurred for the service call are considered as being applicable to the battery service call. (The charge for the non-covered service call excludes the price of any battery replacement, if applicable).

### Lockout Service

We've all been there. Locked out. Miles from home. Call AAA and we'll send someone to get you back in the driver's seat and on your way.

### Extrication

Sometimes life gives you lemons. And sometimes life leaves you stuck in a ditch. So when you're stuck, call AAA. We'll dispatch a service truck and driver to get you on your way again ASAP.

<sup>1</sup> Restrictions apply. See "Learn More" section for details.

## AUTO COVERAGE

We make getting on the road much easier, from finding the vehicle that fits your needs to finding the loan that's right for you.

### Auto Buying

Our hassle-free Auto Buying Service features competitive Member prices for most new and used vehicles at participating dealers. And we've already done the negotiating for you. All you have to do is select the vehicle you want. Get the discounted price you'll pay at the dealership online.

### Auto Loans

Once you've found your dream car, AAA can help you make it a reality. Our partners' competitive interest rates and convenient terms help keep your monthly payments low. They can even help you refinance your existing car, so take advantage of their exclusive pricing and loan terms.

### Vehicle Protection Plan

Once your car is out of warranty, repairs can be costly. AAA's Vehicle Protection Plan is an extended auto warranty program that covers mechanical problems and repairs, saving you money in the event of breakdown or failure.

## DRIVER TOOLS

We're here to help you enjoy the journey—and arrive at your destination safely.

### TripTik

Need directions? Call or visit a AAA Store for a TripTik® or maps. Download the AAA TripTik® app for your smartphone, or go to [AAA.com](http://AAA.com) and use our TripTik Travel Planner. You can even check construction spots and driving regulations.

### Driver Education & Training

We offer a variety of driver training solutions that promote safe and responsible driving. We've carefully developed training courses for new drivers, those with decades of experience, and everyone in between. So whether you're new behind the wheel or getting a new car, AAA can teach you all you need to know to stay safe on the road.

## REPAIR & MAINTENANCE

The best way to avoid mechanical problems is to prevent them. Our AAA car care and Approved Auto Repair facilities are conveniently located near you.

### Car Care Centers

Most AAA owned and operated car care centers are open 7 days a week to help you get in and get back on the road as quickly and safely as possible. Our ASE-certified technicians use state-of-the-art tools and equipment to perform diagnostics, routine maintenance and repairs, inspections and registration renewals (at select locations), and unscheduled repairs. AAA Members can also take advantage of weekly offers on tires, fluids, and more, and save 10% on labor repair charges. Our car care centers also offer travel planning, insurance, digital AAA TourBooks®, maps, and savings on attraction and movie ticket sales.

### Approved Auto Repair Shops

We have nearly 7,000 AAA-affiliated Auto Repair shops across North America that offer services you can trust—quality repairs and maintenance to keep your car on the road. Members can receive a 10% discount on repair labor.<sup>1</sup>

*For vehicle repair advice, Approved Auto Repair specialists are available to speak to Members during normal business hours. Member calls received "after hours" will be returned by an Approved Auto Repair specialist the next business day.*

<sup>1</sup> May be subject to a cap; ask the Approved Auto Repair shop for details.

# PREMIER MEMBERSHIP AUTOMOTIVE BENEFITS

## On-your-way Service

Premier Members are entitled to reimbursement up to \$55 for alternative transportation (e.g., taxi cab, ride share services) or one (1) free rental day on a Hertz car rental<sup>1</sup> (up to a full size) per Member per year if your car is towed by AAA and cannot be repaired in the same day.

*1 If Premier Members arrange for alternative transportation on their own, or choose to use public transportation, they can receive reimbursement as long as AAA provided the tow.*

*Premier Members can be reimbursed for alternative transportation expenses, as long as they have not exceeded their five service calls per Member during a membership year.*

*To receive reimbursement, Premier Members must submit a reimbursement form with the original receipt for the alternative transportation. Forms are available at AAA offices, online, or by mail from Premier Member Services (call Premier Member Services: 888-222-9688).*

*All Hertz/AAA Program discounts, rates and benefits apply to this rental. This benefit applies to the rental of a compact through full-size vehicle at participating Hertz locations in the U.S., Canada, and Puerto Rico, subject to availability. Standard rental/qualifications regarding age, driver, credit qualifications, and daily rate requirements apply. The car must be returned to the location of rental. Taxes, fees, optional service charges (i.e., refueling) are not subject to discount and are the responsibility of the renter. This benefit may not be used with tour rates or insurance replacement rates.*

## Premier Towing & Service Calls

Premier Members can get one free tow up to 200 miles per household Member per membership year. In addition to the one 200-mile tow, each Premier Member is entitled to four (4) service calls towing up to 100-miles per membership year (up to five service calls per Member per membership year<sup>2</sup>). Those five service calls could be five 100-mile tows. With any Premier membership tow, AAA will cover all tolls to and from the tow destination.

*2 All Roadside Assistance benefits apply to your existing covered vehicles. All other Roadside Assistance benefits under Premier membership can apply to recreational vehicles and motorcycles provided the Member also has Plus RV membership.*

*If any Service Calls, or the 200-mile tow, are not used during a membership year, they cannot be accumulated and carried over to the next membership year. For any towing miles in excess of 100 or 200 miles, as the case may be, Members will pay for the excess mileage based on current AAA towing rates per mile. Members can “save” their 200-mile tow at any time during a membership year by paying the current AAA towing rates per mile on tows over 100 miles.*

## Premier Battery Replacement Benefit

Premier Members with the Battery Replacement benefit are eligible for a AAA Battery replacement at no cost to the Member, limited to one (1) battery per household per membership year, if a AAA Mobile Battery Service test during a roadside service call indicates a replacement is needed.<sup>3</sup>

*3 There is an initial seven (7) day waiting period associated with the Premier Battery Replacement benefit. This includes existing Members who upgrade from Classic and Plus membership to Premier membership with Battery Replacement Benefit and Premier Members who add the Battery Replacement Benefit to their membership. The Battery Replacement Benefit is limited to one (1) battery per household per membership year if a AAA Mobile Battery Service test during a roadside service call indicates a replacement is needed.*

**NOTE REGARDING BATTERY CALLS:** Since battery testing is considered to be a service call, a Member exceeding their allotment of service calls will incur a charge for battery testing by virtue of the excess service call fee being applied.

*The service technician deployed, in coordination with AAA, shall have sole discretion as to whether a replacement battery is necessary. In rare instances, some vehicle models may incur a charge for installation if battery installation is considered to be a “difficult install”—for example, this includes, but is not limited to, certain makes/models where the battery is located in the fender or is otherwise not readily accessible. Difficult install charges are not covered by your membership. Battery components, such as cables, are not included in the price. If cables or components other than the battery itself need to be repaired/replaced, additional charges may apply. Mobile Battery Service is available from 6 a.m. to 11 p.m. in most areas. Stock is limited to conventional lead-acid batteries and Absorbent Glass Mat (AGM), with coverage available for most vehicles. Batteries for hybrid vehicles are limited to select makes/models. VEHICLES WHICH ARE NOT REGULARLY DRIVEN MUST HAVE THE BATTERY MAINTAINED ON A BATTERY TENDER OR TRICKLE CHARGER TO KEEP THE BATTERY FROM DISCHARGING.*

*In some instances, where the original equipment is not available, a similar alternate battery may be offered in substitution. Should service or a substitution not be available, you may submit your request for reimbursement consideration up to \$125. You must make every effort to contact AAA to request battery replacement service through AAA Roadside Assistance prior to proceeding with a replacement on your own. AAA reserves the right to decline reimbursement if proper process is not followed. Reimbursement requests must be submitted with the original receipt within 60 days of battery replacement. Does not apply to RV, motorcycle, or other specialty batteries.*

*This benefit is applicable to Premier Members who joined or upgraded after 9/16/17. Premier Members who joined or upgraded prior to 9/16/17 can call 888-222-9688 to confirm their membership includes this benefit or have this benefit added to their membership for a nominal cost.*

*Free Battery Replacement benefit does not apply to RV coverage.*

# PREMIER MEMBERSHIP AUTOMOTIVE BENEFITS

Effective August 1, 2021, AGM (Absorbent Glass Mat) are covered for Premier Members with the Battery Replacement Benefit rider. All applicable Battery Replacement Benefit guidelines remain in effect. If the AGM battery is not available on the battery truck or battery service is not available in the Member's service area, Premier Members with the Battery Replacement Benefit will be eligible to be reimbursed up to \$200 by submitting a reimbursement form to Member Relations. Reimbursement may be less in cases where the Member did not call us for battery service and purchased an AGM battery on their own. (Lead acid battery reimbursement of up to \$125 will remain the same). Proof of a failed battery test along with a purchase receipt is needed for all battery reimbursements.

Effective January 4, 2022, the Premier Battery Replacement benefit will not be available to nonmembers when they join AAA. Also Effective January 4, 2022, Premier Battery memberships that are canceled due to non-payment of membership dues and are reinstated sixty (60) days or more after membership expiration will be reinstated as Premier membership without the Battery Replacement Benefit. *\*Emergency home lockout service is a contracted service not performed by AAA and is subject to limitations.*

*4 Members can be reimbursed for one (1) home lockout service call per membership year per membership household. This service, however, only applies to a Member's primary residence.*

*AAA will reimburse the Member up to \$150 for the locksmith's Service Call fee. To be eligible for reimbursement, the Member must first place a Service Call to AAA, even if the Member contacts a locksmith directly.*

*Home lockout service does not count as one of the five Roadside Assistance Service Calls Premier Members are allowed each membership year.*

*Costs to replace locks, including parts and labor, are not covered.*

## Information about Paying Your Membership Dues

AAA records memberships on a monthly basis. For example, if a Member joins on January 3, the membership will not expire until February 1st of the following year.

To sign up for Automatic Renewal, you must provide a valid credit or debit card; Visa, Mastercard, American Express or Discover; and the credit card expiration date. AAA will automatically charge your annual membership fee for your credit card approximately 35 days prior to your membership renewal date each year. You may cancel this arrangement at any time with a letter or phone call to AAA. All Automatic Renewal enrollment requests must be made at least five (5) business days prior to the date of your scheduled membership dues charge. Requests made less than five (5) business days prior to your scheduled membership dues charge may not be honored for that renewal period, but will be honored for all future renewals.

When a membership is renewed within 59 days of the membership expiration, the original membership join date and expiration date are unchanged and the Member's years of membership tenure continue to accrue. AAA continues to provide all services to Members for the first 30 days after membership expiration, and all services except Roadside Assistance for the next 29 days unless the membership dues are paid at the time Roadside Assistance is requested (Roadside Assistance available at Member rates during this later, 29-day period). Note also that annual membership dues will be due one year from the original expiration date, which will be less than twelve months from the late payment date.

When a membership is renewed 60 days or more following the expiration date, those Members will receive a new join date, a new annual expiration date and any accrued membership tenure will be lost.

All renewal bills and membership renewal communications will be sent to the Primary Member.

AAA may charge a non-refundable Enrollment Fee for joining the Club.

## Membership Policy within First 3 Months of New Membership

There is a new limited Membership refund policy which became effective April 15, 2012. If, at any time during the first three months of your new membership including any upgrades and added Associate Members, you decide AAA isn't right for you, simply cancel. We'll refund the unused portion of your paid membership dues.

Overpayments will be applied to your next membership renewal or on a request basis will be 100% refunded. No other refunds will be granted. Visit [AAA.com/Refund](http://AAA.com/Refund) for more information.

## Membership Refund Policy for Renewing Memberships and New Memberships after First 3 Months of Membership

Membership dues payments including renewals, upgrades, and added Associate Members will not be refunded once applied to your membership; however, your membership will remain in force until it expires. Overpayments will be applied to your next membership renewal or on a request basis will be 100% refunded. Visit [AAA.com/Refund](http://AAA.com/Refund) for more information.

## CANCELLATION OF MEMBERSHIP BY THE CLUB

1. The Club reserves the right to cancel the membership for a Member's abusive use of Roadside Assistance Services ("Services"). This includes using, or attempting to use the Services in violation of the restrictions set forth herein.
2. The Club reserves the right to cancel the membership of any Member who physically or verbally threatens any AAA Associate, contractor, or agent.

3. The Club reserves the right to cancel the membership of any Member who has instituted frivolous litigation in an attempt to gain benefits to which the Member was not entitled.

4. In addition, a Member who requests or uses an excessive amount of Roadside Assistance Service, that is, uses Services over a sustained period that are greater than the average Member uses, may be subject to membership downgrades at renewal, surcharges, or non-renewal of the membership.

## About Roadside Assistance

We are all about Safety—on and off the road—and an important part of that is making sure all of our Members know how we operate. AAA Roadside Assistance does not cover your car; AAA covers **YOU** as a Member in any car you are driving or riding in.

To get Roadside Assistance, **YOU** need to be with the vehicle at the time of disablement and service. When the AAA representative arrives you will need to show us your driver's license. Your membership benefits, like Roadside Assistance, cannot be used by any other person. AAA membership with Roadside Assistance is designed to help you when the vehicle you are in is disabled. By the way, AAA considers a disabled vehicle, a vehicle that is broken down and you are unable to drive. Our goal is to get your car running again. If we are unable to, our goal is to move your vehicle to a place of repair. Service will be provided to Members on any eligible vehicles that Members are either driving or riding in at the time of disablement unless prohibited by law. An "eligible" vehicle is a currently tagged and registered four-wheel motor-driven passenger vehicle (i.e. cars, vans and pickup trucks, including rented passenger vehicles) if those services can be safely delivered.

## Service Fee Update (Effective June 1, 2020)

AAA will charge an additional non-refundable Service Fee if Roadside Assistance is requested the same calendar day a Member joins or cancelled Member renews with the Club beyond Membership Grace Period (60+ days beyond expiration). When a Same Day Service fee is charged, the associated Roadside Assistance call does not count towards the Member's total number of annual entitled calls.

**NOTICE REGARDING BATTERY CALLS:** Since a battery testing call is considered to be a service call, a Member exceeding the annual allotment of service calls may incur a Service Charge for a battery call in excess of the Member's annual allowable calls.

Vehicles and services covered under Classic, Plus, RV, or Premier Membership: Roadside Assistance means 24-hour assistance for minor mechanical first aid, battery service, tire change, out of fuel, lockout service, extricating and towing. Roadside Assistance will be provided to you when the vehicle you are either driving or riding in becomes disabled. The following types of vehicles are eligible for service:

Four-wheel motor-driven passenger vehicles (i.e. cars, vans, and pick-up trucks, including rented passenger vehicles) if those services can be safely delivered.

Dual rear wheel unloaded pickup trucks are provided all services except tire service.

Dual rear wheel campers and motor homes are covered for lockout, battery service and out of fuel services only. Additional services (such as towing and tire change services) are provided only if you have an RV Rider Membership.

## Vehicles Covered under Plus RV and Premier RV

For Members who currently have AAA RV coverage\*

Effective at your next membership renewal (beginning with July 1, 2022, membership expirations), coverage will be capped at \$500 for each RV Roadside Assistance service request, with a maximum coverage of \$1,000 on RV Roadside Assistance services per RV household, per membership year. If you receive RV Roadside Assistance before your next renewal and pay for services above the \$500 cap, you can apply for reimbursement by contacting our Member Relations Department at 800/763-8200.

For Members purchasing a new AAA RV membership\*

The coverage caps will go into effect immediately on the join/upgrade date for new RV memberships beginning July 1, 2022.

\*RV Roadside Assistance benefit limits above apply to tire change, towing and extrication services. These RV benefit limits do not apply to motorcycles.

- Service may be suspended or denied if Member makes verbal or physical threats, whether in person or not.
- Reimbursement of tow expense covered by insurance is not covered.
- Delivery of diesel fuel is not covered.
- An individual's membership may not be used by a business or organization to provide Roadside Assistance service for its customers.

## Additional Points

Your membership benefit cannot be transferred to or used by any other person. The Member calling for Service must be present at the time of the service technician's arrival. The Member will be asked to produce their membership card and a photo ID. AAA reserves the right to refuse service if appropriate documentation is not provided.

All renewal bills and membership renewal communications will be sent to the Primary Member.

AAA membership is a motorist's trusted ally. It covers you whether you're the driver or passenger in a car. To get Roadside Assistance, you need to be with the vehicle at the time of disablement and service. When the AAA representative arrives you will need to show us your AAA membership card and your driver's license or government-approved ID. Your membership benefits, like Roadside Assistance, cannot be used by any other person.

Without limiting any other rights or remedies it may have, the Club may seek reimbursement from a Primary or Associate Member for Roadside Assistance services fraudulently or wrongfully obtained by the Primary or Associate Member. Primary Members are responsible for the conduct and the service demands of their Associate Members.
