Let's Get Started!

Tap into the Magic of Your *Walt Disney World*® Resort Vacation with These 6 Steps

AAA Travel has the “insider knowledge” to make your travel planning easier. We’ve identified six steps to help you get started with your day-by-day Disney itinerary planning.

Step 1 Go to [AAA.com/GetStarted](https://www.aaa.com/GetStarted)

Set up registration with your email address so you can customize your **MagicBands**, plan your daily itinerary, get an advance FastPass+, make dining reservations, and download the mobile app so you can access your plans while you’re in *Walt Disney World*® Resort.

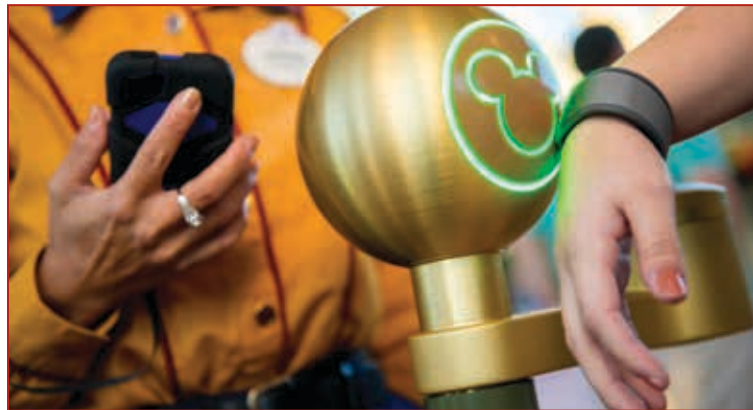

AAA Tip: To ensure you make the most of your vacation, AAA recommends starting this process as soon as you receive this packet from your AAA Travel Agent. Have your Resort Confirmation number ready for the next step.

Step 2 Link Your Reservation

Linking your reservation allows your **MagicBands** and FastPass+ to be uniquely associated with you. You will verify the names of your traveling companions during this step. [Resort hotel registration area](#).

MagicBands are available to Guests staying at *Disney Resort* hotels and are available for purchase at select *Walt Disney World* Resort merchandise locations. Charging privileges are only available for Guests staying at *Disney Resort* hotels. Credit card must be presented at *Disney Resort* hotel check-in for purchases with *MagicBand*. Purchases are charged to your *Disney Resort* hotel account.

Step 3 Customize Your *MagicBands*➔

MagicBands can be customized for each traveler with their names inscribed and their choice of seven available colors. Simply click “Personalize **MagicBands**” to start.

AAA Tip: Be sure to customize your **MagicBands** as soon as possible after you receive this packet; and at least 11 days prior to arrival. If you don’t, no problem – you can pick up your standard-issue **MagicBand** at your *Disney Resort* hotel registration area.

Step 4

Select Your Disney FastPass+ Experiences

Click on “**Make Disney FastPass+ Selections**” to select the attractions you want to visit in each Theme Park (one Theme Park per day for each day you have a valid Theme Park ticket).

AAA Tip: Before making your **Disney FastPass+** selections, AAA recommends reviewing the *Park Calendars*. Check for “*Extra Magic Hours*,” early opening or late closing of each Theme Park, so you can select **Disney FastPass+** in a park that offers extended hours that day.

Valid Theme Park admission and online registration required. *Disney FastPass+* attractions and entertainment experiences, the number of selections you can make and available arrival windows are limited.

Step 5

Make Your Dining Reservations

Now that you know which Theme Parks you'll visit on which days, you can plan those special restaurant experiences. Click on “Make Dining Reservations” where you'll find nearly 100 restaurants that accept advance reservations.

AAA Tip: You can make reservations 180 days prior to the first day of your arrival, and many popular restaurants are booked well in advance. If you can't get advance reservations, check in at the restaurant the same day to find out about last-minute availability.

Step 6

My Disney Experience

Download the Free Mobile App

With the mobile app, the itinerary you just set up can be downloaded and accessible on your mobile phone when you arrive at Walt Disney World® Resort.

You can change **Disney FastPass+** on the fly, check real-time attraction wait times, make dining reservations, and much more.

AAA Tip: This is one of the most important steps. Having this app gives you control over your vacation experience while at **Walt Disney World®** Resort. Become familiar with it before you go and it will save you precious time in the parks.
