

How to be a Safe Passenger

A Safety Coloring Book
by
AAA School Safety Patrol

What is a distraction?

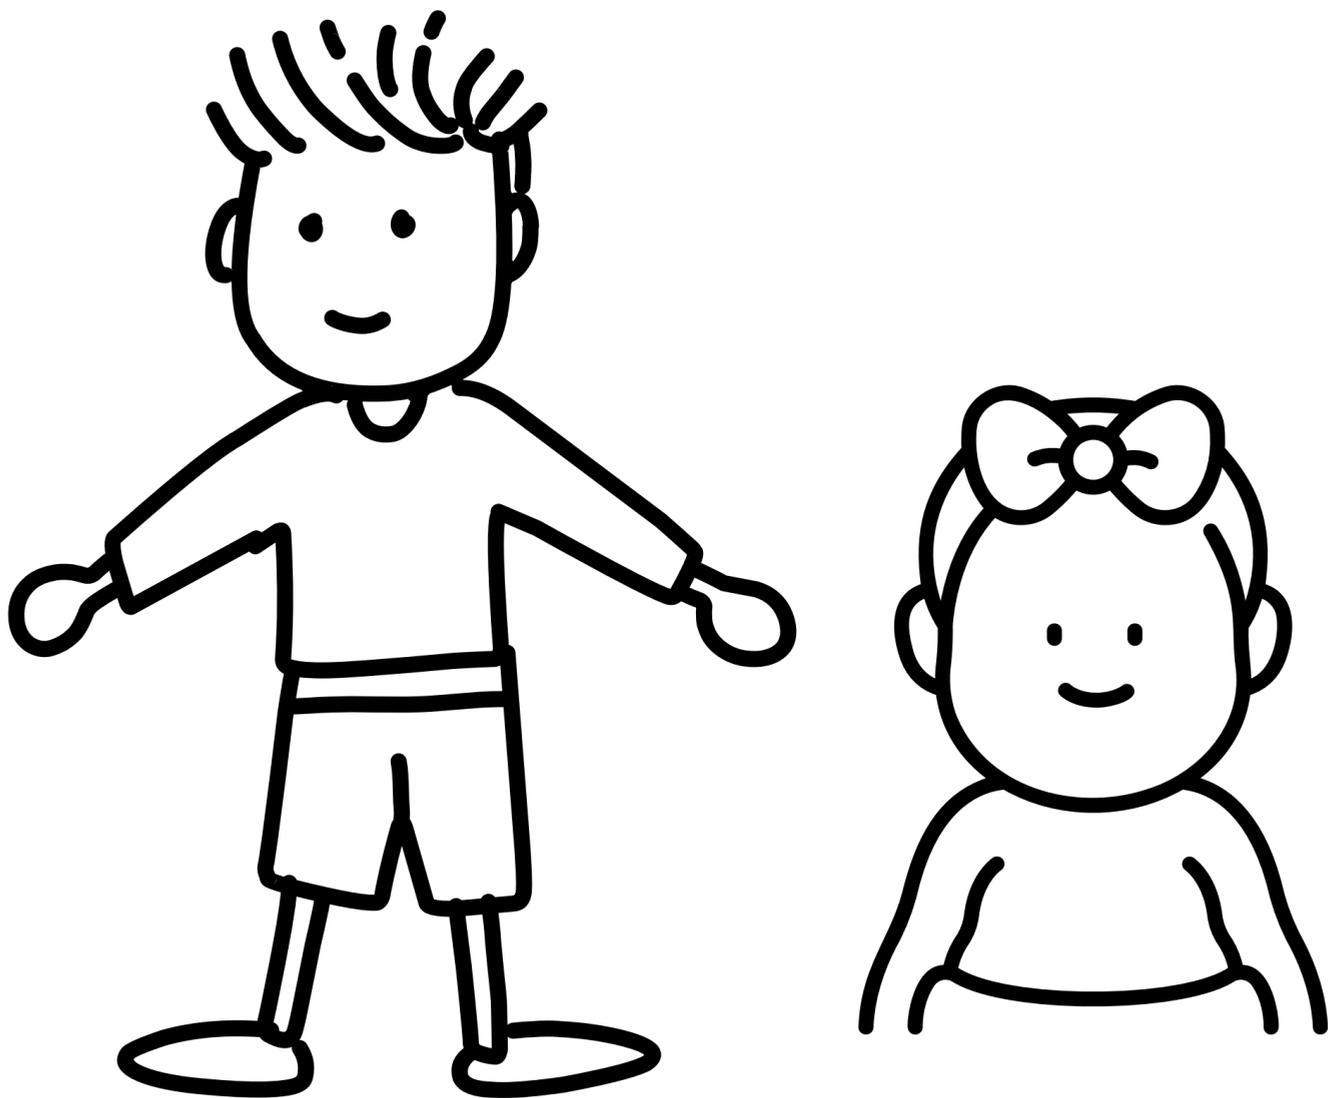

A distraction is anything that takes the driver's attention away from driving.

Passengers

Passengers like you and me can become a distraction to the driver.

Yelling, throwing things, and fighting with a sibling are all distractions.

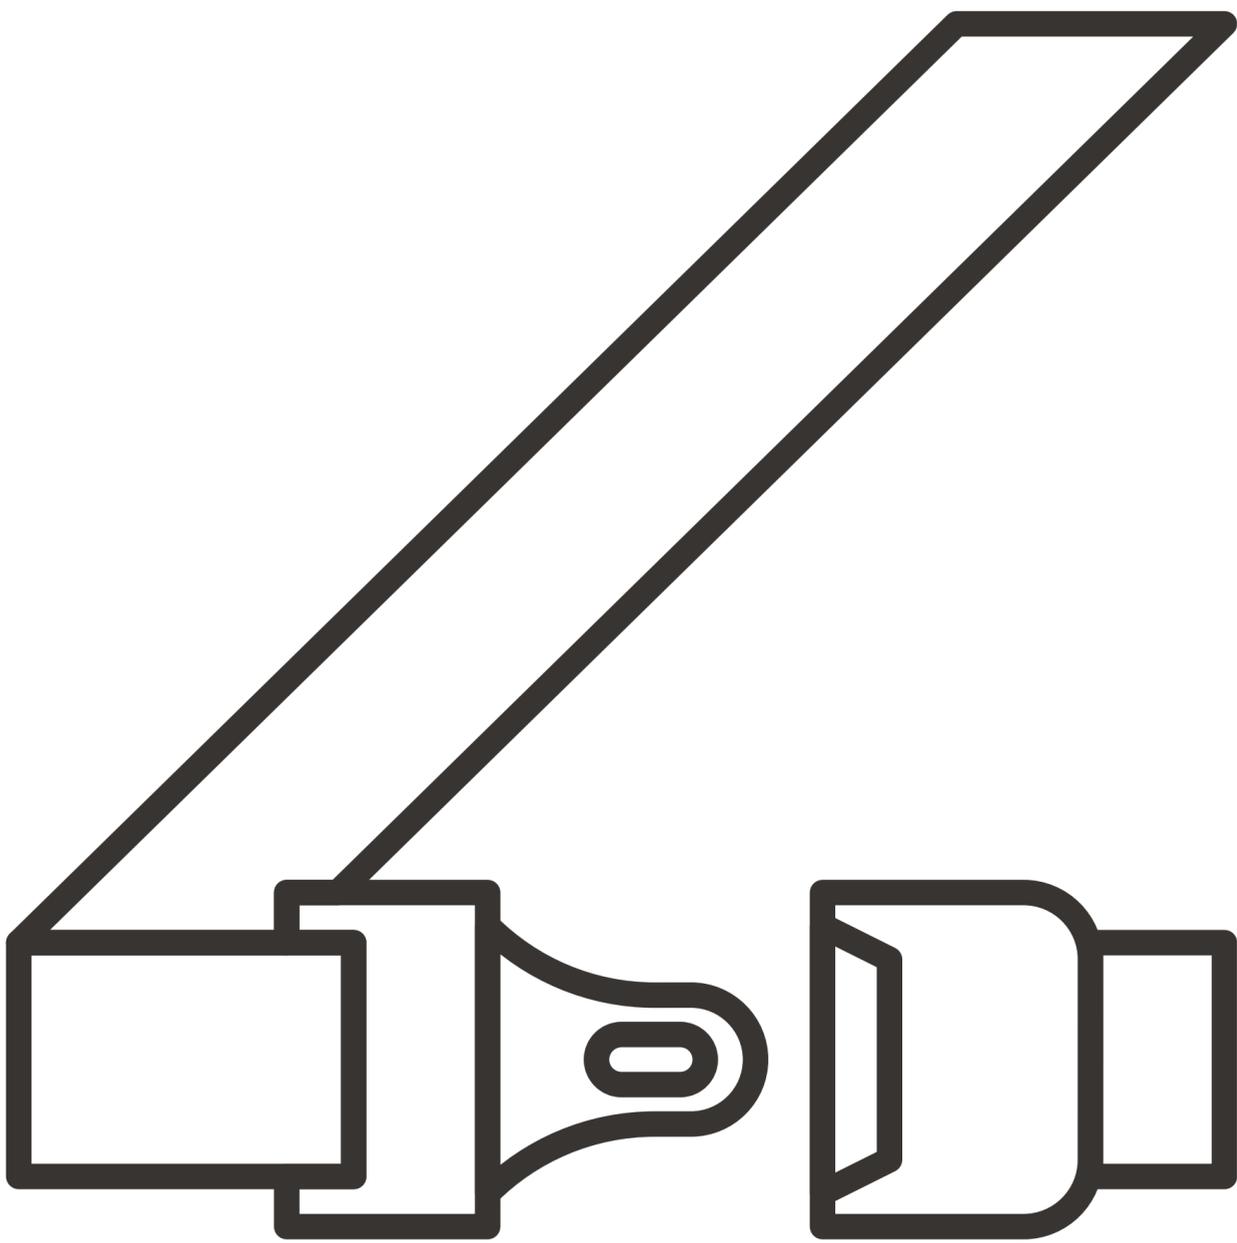

How Can We Help Stop Distractions?

Practice being a safe
passenger on every ride!

1.

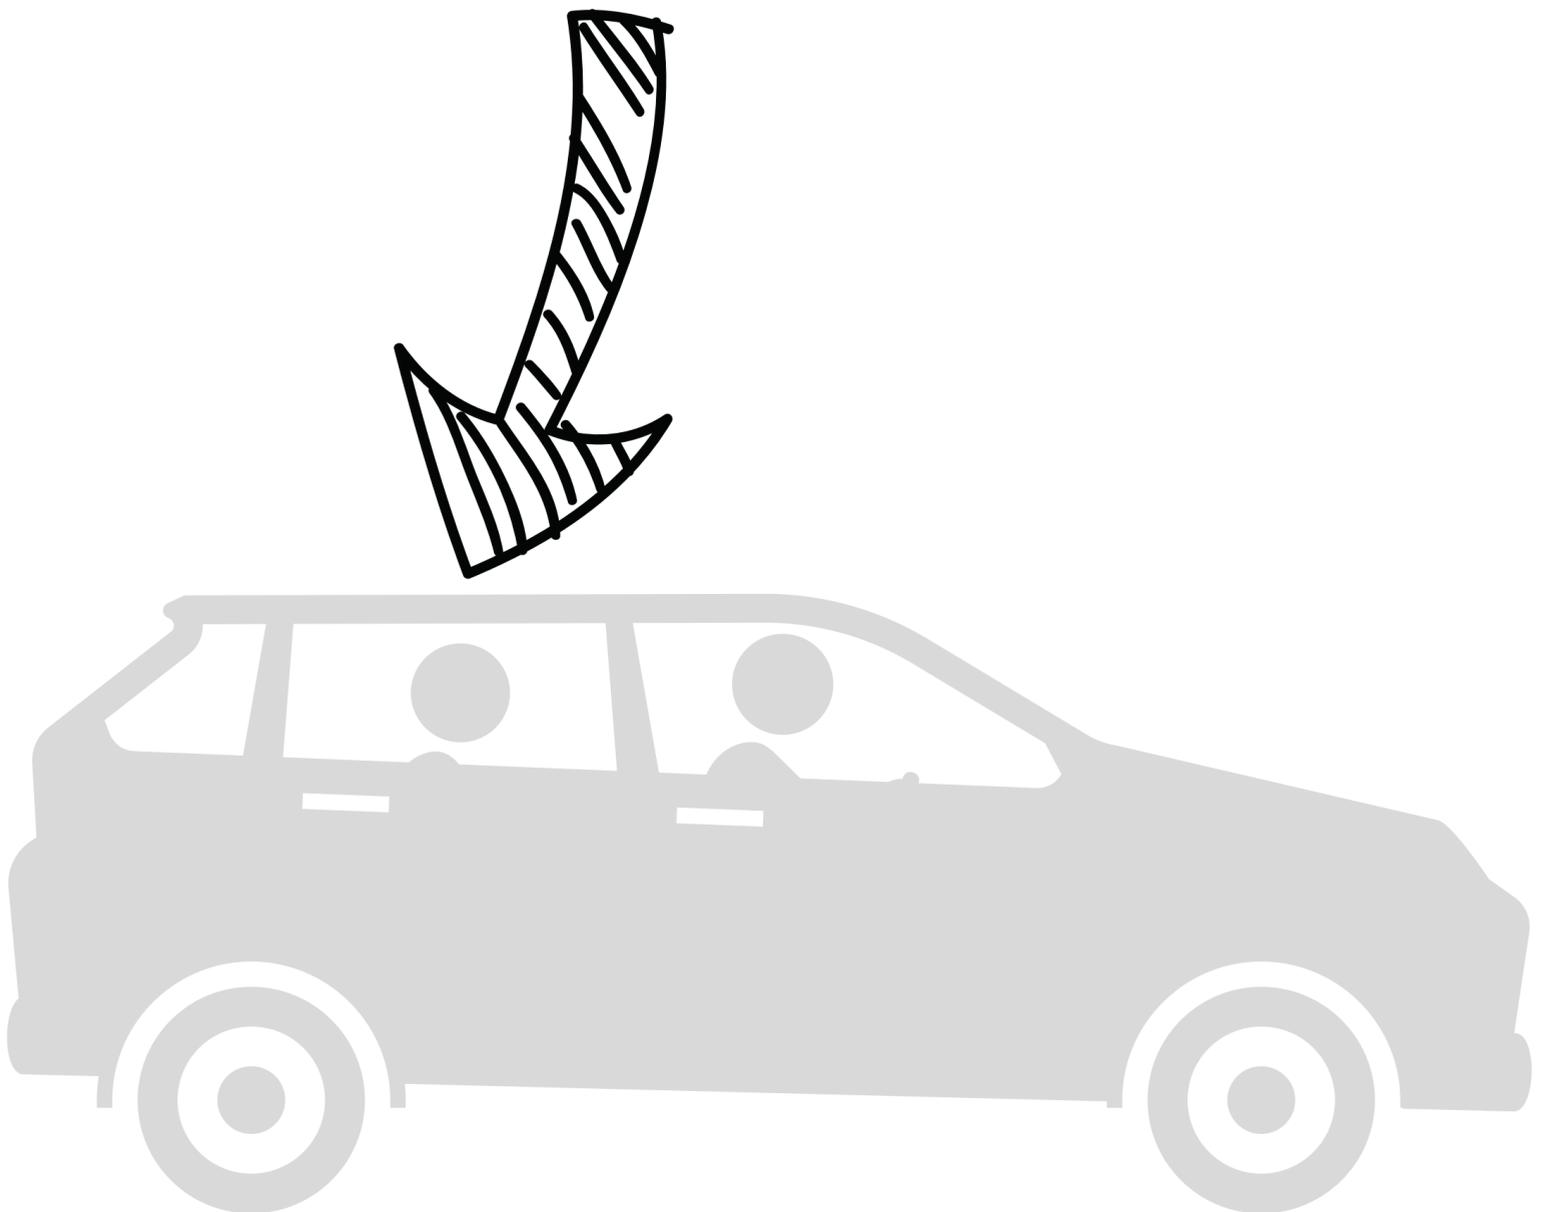

Buckle up on every ride!

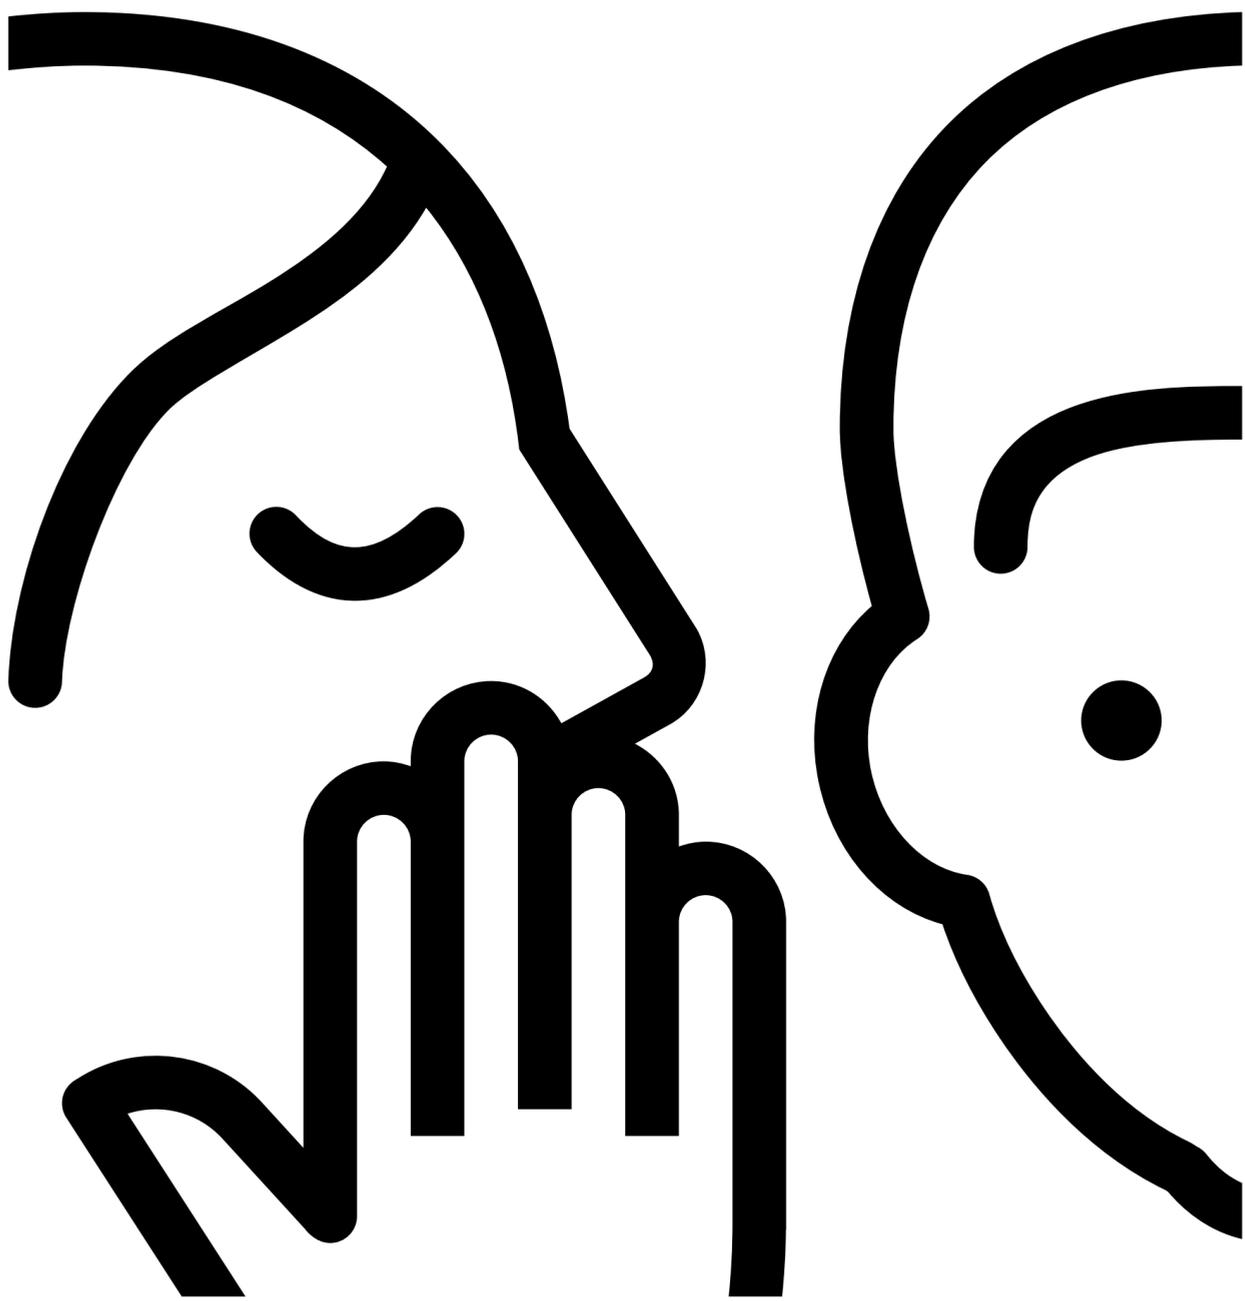

2.

Sit in the back seat until
you are 13 years old.

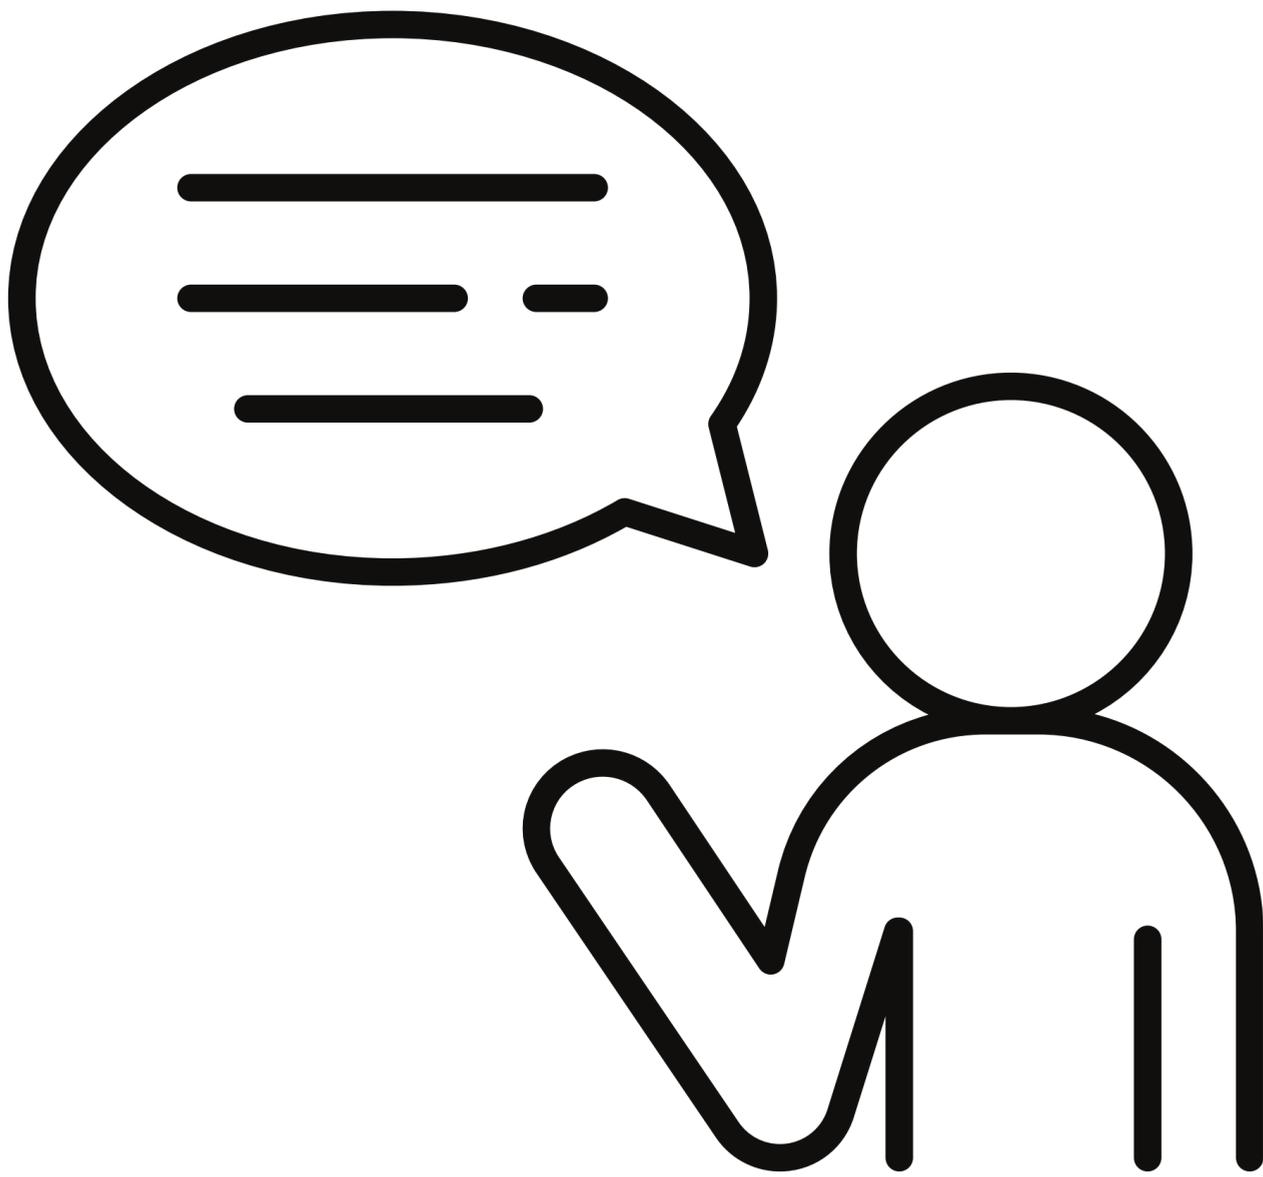

3.

Speak softly and
remain calm.

4.

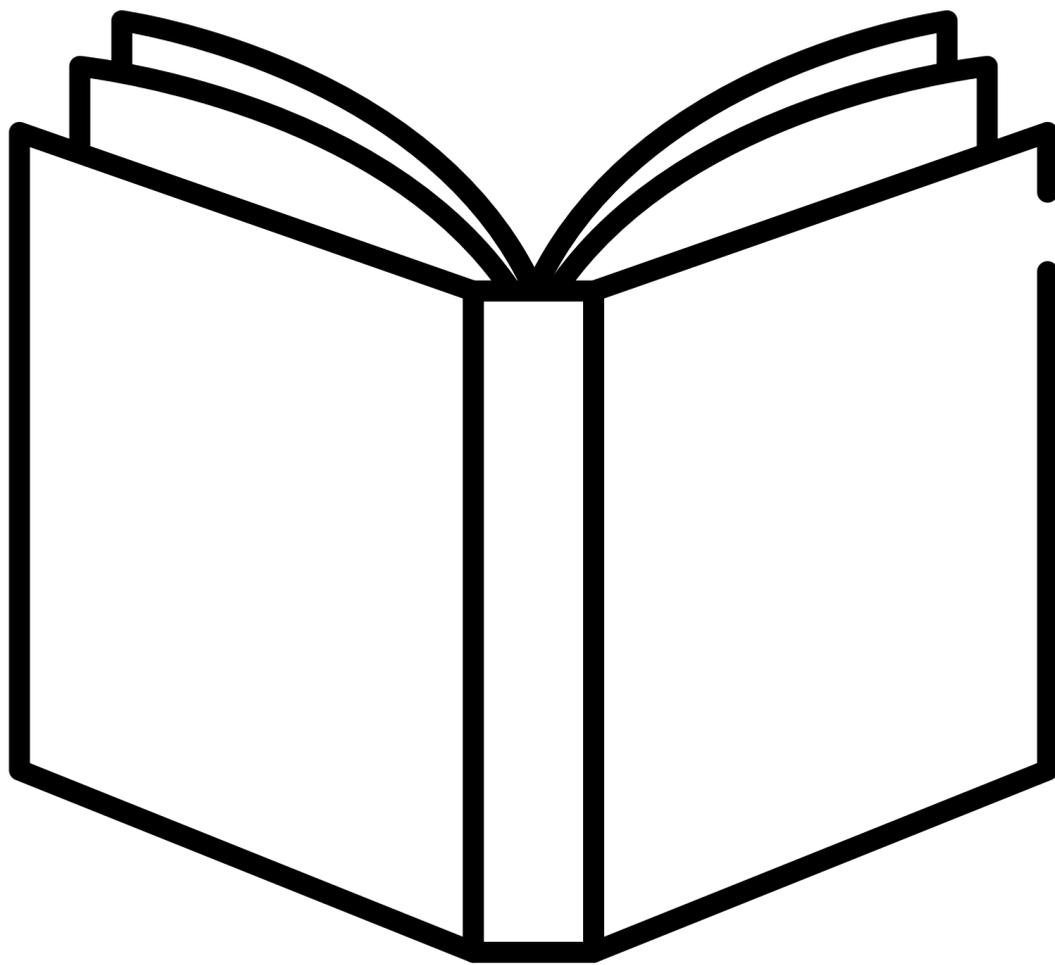

Encourage others to limit
distracting behaviors.

5.

Do activities that are not distracting like reading a book or watching the view outside of the window.

I Promise...

I promise to always practice safe behaviors **as a passenger**. I will not act in ways that can distract the driver from driving.
